Thanx Richard, appreciated. You are correct, we were gearing up to what we thought would be a concentrated consultation and registration drive.

Then of course the Peterson whanau took it to another level, and unfortunately we had already committed the funding.

Kind Regards

John Paterson

On Behalf Of R Hawk

Thank you for advising that there was urgency in us getting the requisition form for more funding to you.

Outside of scope

I have obtained the bank statements and reconciled them against the cheque butts and I have been able to complete the form which is attached.

There was a significant increase in the administration expenses I understand because it had been anticipated that more staff and extra effort would be necessary in taking the AIP to the people but, of course, that has not happened due to the unfortunate events in relation to occupation of Stony Creek, etc.

The staff (they were taken on contract) I understand have now been discontinued, and the office has been vacated to conserve funds.

Please let me know if you require the original application form, in which case I will forward it by ordinary post.
